Last Updated Friday, 31 July 2009

This website (eCircuitonline.com) was decommissioned in August 2009. A new website (<http://bccircuit.com>) was established. This site contains over 600 stories, plus hundreds of photographs archived in the eCircuit since 2006. We plan to eventually migrate this content to our new website, but for now, please enjoy this content in the archive site.
